Q-Lux ™
Revealing a better way to install.

Retrofit LED Utility Light

<u>Part Numbers (sold separately):</u>

Retrofit 5000K Q-Lux™...QX1205R
Retrofit 2700K Q-Lux™.. QX1202R
Application:

The Q-Lux™ retrofit LED utility light is a rugged, long-lasting LED light designed to replace the existing light bulb and glass jar in a traditional jar fixture . No additional wiring is necessary.
The Q-Lux ™ is able to be pressure washed for easy cleaning.

Features:

- Replaceable polycarbonate lens with wide angle optics
- Long life - 50,000 hours+
- Fits most jar bases (3-1/4" dia. threads for easy installation)
- No additional wiring necessary
- Dimmable for customizable lighting conditions
- ETL Listed for Wet Locations in US and Canada

Installation is Easy!

Original Fixture

Remove bulb and jar

Screw Q-Lux into fixture

End Result
