

Junction Box Adapter

Revealing a better way

Adapts Q-Series to Existing Junction Boxes

Part Numbers

Junction Box Adapter.....QJBA

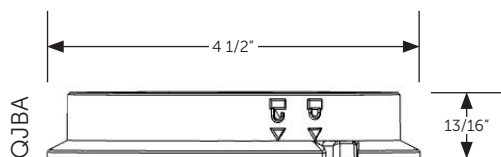

Application:

The Junction Box Adapter installs easily onto existing (3rd party) junction boxes to enable the use of all Q-Series FicientLock™ products. Once the adapter is installed, our Q-Series products lock onto the existing junction box for a dust and waterproof fit. Combine the QJBA with QL100 to make our QL303 assembled jar fixture body.

Features:

- Adapts FicientLock™ System to existing boxes
- Captive, pre-installed gaskets
- Seals against most 3rd party junction boxes
- Includes (4) #8 coarse thread, plastite stainless steel screws
- Assembles Q-Series products without screws

FicientLock™ Technology

Remove jar, bulb, & socket base

Install junction box adapter

Twist lock Q-Lume base & jar with any LED or CFL

Install adapter and Q-Lux fixture

Material Non-metallic, high performance polycarbonate, and high temp rated gasket
